OUR VICTORY IN THE "BLOODY THIRD."
-The notorious "bloody Third Ward," the home of rowdles, whisky-drinkers and burg, where the regiment is located. shoulder-hitting copperheads, was most thoroughly redeemed by the election of Amos Townsend for Trustee, and William H. nual election of officers for the Library Asso-ciation will come off on Monday evening, and a meeting for the purpose of putting a ticket in nomination will be held ship. Let this primary meeting be fully attended. Upon its action depend, to a great extent, the officers for the next year, and this is a be a set of energetic, progressive, well-informed, literary men. They should be men alive to the needs, the Hterary needs espe-

cially, of the times. We hope to see a ticket omposed of such men put in uomination. KREGAR'S DEUG-STORE.-We observe that one of the new Post-office letter-boxes, distributed over the city, has been located at Keegan's drug-store, at the corner of Euclid and Eric streets. A better locality would not be found in the district than this. By the way, we are glad to note that Mr. Keegan's thriving business is evidently on the increase. It deserves to be. He has on hand s fine stock of drugs, chemicals, &c . &c., and all his customers are sure of being politely attended and carefully served. MOVEMENT OF TROOPS.-The Second
